Summer Brown-Bag Series

Section of Administrative Law & Regulatory Practice
Regulatory Policy Committee

Please join us **Wednesday July 24th, 12:00-1:30 PM ET** for the **Regulation of Social Media?** teleconference.

Today's laws and regulations do not address some of the challenges of social media. The United Kingdom (UK) and Canada are in the process of implementing a framework to address a number of these challenges. This program will discuss the implications of implementing a program to regulate the social media.

Confirmed Speakers:

- **Orla MacRae**, Deputy Director for Online Harms in the UK Government's Department for Digital, Culture, Media and Sport, which recently published a White Paper setting out the UK's proposed regulatory framework for online safety.
- **Connor Raso**, Senior Counsel, Office of the General Counsel U.S. Securities and Exchange Commission
- **David Shonka**, former General Counsel of the FTC
- **Brad Wood**, Senior Advisor, Innovation and Industrial Policy, Embassy of Canada.
- **Jim Tozzi**, Panel Organizer; Founder, Center for Regulatory Effectiveness, Washington, DC

NO CLE Credit is available for this program.

There is no cost associated with this program, but registration is required. *A minimum of 25 attendees is required for the program to take place.

Teleconference dial-in information will be sent to attendees the morning of the program.

Please e-mail rebecca.mobley@americanbar.org with any questions.
