The supplemental regulations, as they are issued in accordance with sections 201(a) and 301(a) of Executive Order 12674, as modified by Executive Order 12731, set forth those agency-specific provisions under applicable law and regulation, such as regulatory restrictions on holding certain financial interests, designation of subunits, and prior approval for outside employment, which are needed for certain agencies to round out the executive branchwide ethical standards for their employees. These supplementals are issued and revised on an ongoing basis when needed by agencies concerned.

3374. INTERPRETATION, EXEMPTIONS, AND WAIVER GUIDANCE CONCERNING 18 U.S.C. 208 (ACTS AFFECTING A PERSONAL FINANCIAL INTEREST)

Priority: Other Significant

Legal Authority: 5 USC app, Ethics in Government Act of 1978; EO 12674; EO 12731; 18 USC 208

CFR Citation: 5 CFR 2640**Legal Deadline:** None

Abstract: This regulation interprets section 208(a) of title 18, U.S.C., which prohibits officers and employees of the executive branch from officially participating personally and substantially in a particular matter in which there is a personal financial interest or a financial interest of a related person or organization (absent a waiver or exemption under 18 U.S.C. 208(b)). It also lists and describes interests considered too remote or too inconsequential to affect the integrity of the services of executive branch officers or employees, in accordance with 18 U.S.C. 208(b)(2). Such interests are exempt from the restrictions of 18 U.S.C. 208(a), generally requiring disqualification. The regulation also provides guidance to executive branch agencies as to the kinds of interests that are not so substantial as to be deemed likely to affect the integrity of the services the Government may expect from an employee and which, therefore, may be waived from the general rule of disqualification under 18 U.S.C. 208(a), pursuant to 18 U.S.C. 208(b)(1). In addition, guidance is provided concerning the issuance of waivers to special Government employee advisory committee members, pursuant to 18 U.S.C. 208(b)(3). A separate interim final rule, published in 1995 exempting certain financial interests arising from Federal Government executive branch employment as well as from Social Security or veterans' benefits from the general prohibition in section 208(a), was incorporated in the overall final rule. Additional exemptions are considered for development from time to time as appropriate.

Abstract: Regulation implementing certain provisions of Executive Order 12674 on Principles of Ethical Conduct, as modified by Executive Order 12731, and the Ethics Reform Act of 1989 (Pub. L. 101-194), as amended. Effective February 3, 1993, this ethical conduct standards regulation generally superseded executive branch employee conduct and gifts rules, as well as pertinent portions of agency-specific conduct regulations issued under prior Executive Order 11222. For certain existing agency regulatory standards setting forth financial interest prohibitions and prior approval for outside employment/activities, an extended grace period was in effect until November 1, 1996, or until individual concerned agencies issued supplemental regulations (with Office of Government Ethics concurrence), whichever occurred first.

Abstract: The regulation had, in pertinent part, implemented, effective January 1, 1991, the prohibition on honoraria (now declared unconstitutional by the courts as to most rank and file executive branch employees and hence determined to be eviscerated as to all other Federal employees by the Office of Legal Counsel of the Justice Department). In addition, the regulation continues to implement the limitation on outside employment as provided in the 1989 Ethics Reform Act revisions to the Ethics in Government Act, as amended. The regulation has now been amended

Priority: Other Significant

Legal Authority: 5 USC app, Ethics in Government Act of 1978; EO 12674; EO 12731; 18 USC 207

CFR Citation: 5 CFR 2641; 5 CFR 2637 (Continuation)

Legal Deadline: None

Abstract: This interpretive regulation will give guidance for the executive branch on the various substantive restrictions of the current version of the post-Government employment conflict of interest statute 18 U.S.C. 207, which became effective January 1, 1991, pursuant to title I of the Ethics Reform Act of 1989 (Pub. L. 101-194), as amended. Parts of the regulation, dealing with procedures for waivers by the Office of Government Ethics of certain senior official constraints (based on executive agency hardship), designated senior employees, and separate agency designations, have already been published in the Federal Register; such designations are periodically updated by the Office of Government Ethics. The Office of Government Ethics also has continued to publish in the CFR the interpretive regulation, 5 CFR part 2637 (but now without the no-longer-effective former Senior Employee and old agency component designation listings), under the lifetime bar of the prior version of the post-employment law which still applies to executive branch employees who left the Government before January 1, 1991. Once a complete current post-employment law final regulation is published, the old part 2637 regulation will be removed from the CFR.
